Laughter is the best Medicine

Luke: Why did the M&M go to school?

Stan: I'm stumped.

Luke: Because he really wanted to be a Smartie!

What kind of school do you go to if you're...

...an ice cream man? Sundae school.

...a surfer? Boarding school..

If you are like us, you feel like this summer flew by! Things have definitely gotten busier around here, with older kids returning to school, and the littles getting back into the swing of things.

With the weather cooling off, we would like to remind our families to send their child to care with the appropriate clothing for the weather outside. This includes a jacket, socks, and appropriate footwear. The weather is perfect for going on walks and playing at the park.

We hope the upcoming weeks go smoothly for your families, as everyone transitions out of summer holiday mode and back into their normal schedules!

Policy Input

This month, the policy we are asking for your input on is from your General Agreement Parent Responsibilities # 16 "Parents will communicate with their Provider on a daily basis in the interest of the health and progress of their child/ren".

Please give us your opinion by: calling the office, e-mailing us at www.appleblossomdayhomes.com, or mailing it to Box 20042 KPO, Medicine Hat, AB T1A 8M4

We appreciate the time you take to give us your input.

STAT Holidays

Remember that September 5th is a STAT holiday for your Day Home. Should your provider choose to be open that day, please be aware that an hourly rate of \$6.25 will be added to your bill, in addition to any regular fees associated with that day.
